**Member:** DB                      **Application No:** 5/2014/1694      **Issued:** 14/7 email

**Address:** 55 Bucknalls Drive Bricket Wood

**Proposal:** Outline Application – (Access and Layout) for three, four bedroom detached houses, six four bedroom detached houses with integral garage, three, three bedroom detached houses, associated garaging, parking and open space

**Comments:** *Objections to this application which is within the Green Belt and inappropriate development. The application is in an unsustainable location and will add to the traffic problems already experienced along this busy cul de sac. For the reasons given we ask that this application is **REFUSED***

**Member:** DB                    **Application No:** 5/2014/1708                    **Issued:** 8/7 email

**Address:** 63 Oakwood Road Bricket Wood

**Proposal:** Change of use from Class C3 (dwellings) to Class D1 (medical centre) alterations to openings, rear access ramp with railings and provision of additional parking (resubmission following refusal of 5/2014/0481)

**Comments:** *Objections to this application. The previous application was refused on highway safety grounds which may or may not have been addressed. However, there is not a need for a private healthcare clinic within this residential area and it will not be supported by the NHS. Since the dental surgery next door was given permission, there has been considerable overflow parking spilling out onto the road which in turn impacts on the residents and the local shops. This is a residential area and the granting of permission will result in two commercial properties next door to each other, commercialising what was a residential area to the detriment of that area. This is a very unpopular application with residents and for the reasons given we ask that the application is **REFUSED***

**Member:** KH                      **Application No:** 5/2014/1738      **Issued:** 9/7 email

**Address:** 2 Hawthorn Way Chiswell Green

**Proposal:** Part two storey part first floor rear and side extensions single storey and first floor front extensions including garage conversion, alterations to roof including raising the ridge height and replacement roof alterations to openings and extens

**Comments:** *Concerns regarding this application as there could be a loss of light to No. 4 from the upstairs extensions as the angle is greater than 45 deg. from the extension to the neighbouring window. If this application is granted we ask that contractors vehicles are parked on site and that they are not parked on the footway or verge.*

**Member:** JB                      **Application No:** 5/2014/1757      **Issued:** 14/7 email

**Address:** Kessingland 25 Penman Close Chiswell Green

**Proposal:** Single storey detached outbuilding and extension of hard standing for parking (retrospective)

**Comments:** *The footprint of the proposed building is approximately half the size of the existing house, this together with the excessive hard standing takes up a large area of what was the back garden of Kessingland. We consider this is an over development of the plot and out of keeping with adjacent properties. As there is no provision for garaging any vehicles in the proposed building, all parking will be on the hard standing abutting the rear garden of Pescud. The inevitable fumes and noise will result in a deterioration in the quality of life style and privacy currently enjoyed by the residents of this adjacent bungalow. For these reasons we ask that this application is **REFUSED**.*
