Member: DB **Application No:** 5/2015/1606 **Issued:** 23/6 email

Address: Land to rear of 44 – 52 Bucknalls Drive Bricket Wood
Proposal: Five, four bedroom chalet bungalows with associated parking and landscape works

Comments: *Objections to this application on grounds of overdevelopment of the site. It is the Councils view that the proposed properties are akin to two storey properties than the description of 'chalet bungalows'. This is a compact site that may suit a smaller development. So for the reasons given we ask that this application is **REFUSED**. However, should this scheme be granted, we ask for Section 106/CIL funding to be allocated to St Stephen Parish Council to improve/provide leisure, amenity and refreshment facilities.*

Member: MD **Application No:** 5/2015/1781 **Issued:** 9/7email

Address: Land at The Mansion House Bonehill Chiswell Green

Proposal: Temporary Change of Use to Class (B8) (Storage)

Comments: *The storage facility on the land has established long term use and supports a local business. No changes are apparent to what is existing therefore no objections are raised. However, if this application relates to the storage cabin, this is a new addition and has only been in place around 18 months. We cannot see that planning permission exists for the building on this site and have asked that the application is called in.*

Member: MF **Application No:** 5/2015/1829 **Issued:** 27/7 post

Address: 1 Hawfield Gardens Park Street

Proposal: Demolition of existing bungalow and garage and erection of two semi-detached dwellings with associated parking and access

Comments: *Objections to this application as it is an overdevelopment of a restricted plot, will be out of keeping and appear cramped. There may be highway congestion as the site is very close to the junction with the A5183. For the reasons given we ask that this application is **REFUSED**. However, should this scheme be granted, we ask for Section 106/CIL funding to be allocated to St Stephen Parish Council to improve/provide leisure, amenity and refreshment facilities.*

Member: JB **Application No:** 5/2015/1838 **Issued:** 8/7 email

Address: 216 & 216A Watford Road Chiswell Green

Proposal: Change of use from Class C3 (residential) to Class D1 (dental surgery) new openings to side

Comments: *Objections to this application due to the inadequate parking for staff and patients on this site. There is no proposal to increase the existing 4 spaces despite expanding the practice. The proposed staffing level is 6 full time, and 6 part time staff all of whom may need parking spaces. Patients will also require on-site parking, plus a space for a disabled person. Watford Road is a busy main road and is not safe or practical for on road parking nor should the narrow adjacent roads be used for this purpose. There is clearly inadequate parking for staff and patients in this proposal contrary to Policy 48 of the District Plan. The change in use will result in a loss of residential use which is in short supply in Chiswell Green contrary to Policy 10 of the District Plan. The exception to this is if there is a need in the local community but we believe this to be a private practice which will have a very limited local cliental therefore this cannot be considered a fulfilling a local need. For the reasons given we ask that this application is **REFUSED**.*

Member: DK **Application No:** 5/2015/1858 **Issued:** 8/7 email

Address: 10 Oakwood Road Bricket Wood

Proposal: Single storey front and rear extensions, extensions and alterations to existing rear gable and alterations to openings

Comments: *Objections to this application. This property has already been extended and the further extension is a significant rear addition which may have implications for the bungalows on either side. This is an overdevelopment of the plot and for the reasons given we ask that this application is **REFUSED**.*

Address: 17 South Riding Bricket Wood

Proposal: Construction of one five bedroom and one four bedroom dwelling following demolition of existing dwelling

Comments: *This is a massive overdevelopment of a restricted plot that will completely dwarf the bungalow at no. 19 and cause considerable overshadowing and a huge loss of light. The development is wholly out of keeping with the street scene and we ask that the application is **REFUSED**. We have also requested that the application is called in. However, should this scheme be granted, we ask for Section 106/CIL funding to be allocated to St Stephen Parish Council to improve/provide leisure, amenity and refreshment facilities.*

Address: 62 Stanley Avenue Chiswell Green

Proposal: Single storey rear extension with alterations to roof over existing single storey rear extension and roof lights, alteration to opening

Comments: *This is an already heavily extended property. Further extension will result in an overdevelopment of the site. For the reasons given we ask that this application is **REFUSED**.*
