None
- c. To grant any requests for dispensation as appropriate
None

1819/HR/037 ***To approve the minutes of the meeting held on 25th October 2018***

RESOLVED: *proposed Cllr Bell,* *seconded Cllr Hurford,*
that the minutes be approved as a true record
votes in favour: unanimous

Motion Carried

1819/HR/038 ***To receive a report from the Locum Manager***

- A member of the Grounds staff who has been on restricted duties due to a physical health problem is pretty much back to normal duties but this is being monitored.

- A member of Grounds staff has been on jury duty and has been sworn onto a trial that is likely to last for 10 weeks, meaning that he may not be back at work until towards the end of January. Additional help from a contractor has been brought in for three days to help Grounds staff with fencing and other planned tasks during this period and when another Groundsman is on annual leave.
- Quotes have been received for IT consultants to provide a full IT support contract for the Council.
ACTION: The Locum Manager to circulate a report on quotes received and the background to choosing the preferred IT company.
- The Locum Manager is working on updating the signatories on the various Council bank accounts
ACTION: Locum Manager to ask Councillors to express interest in being a signatory. Assistant Clerk to check if decision needs to be taken at Full Council to agree future signatories.
- **ACTION:** Locum Manager to review the Disciplinary & Grievance Policy and TOIL situation for a future meeting and establish what the current system is for staff appraisals.
- The arrangement for Christmas closure of the office and centres in the past has been that staff are expected to save 5 days of their annual leave to take on given days. This year these days were identified as Friday 21st, Monday 24th, Thursday 27th, Friday 28th and Monday 31st December, with staff returning on 2nd January. It was felt that the five days closure does seem rigid and in this case unnecessary to have the office and centres closed at least on 21st December. It was agreed that early in the new leave year in 2019 the Council would review the closure of the offices and centres over the Christmas and New Year period in future years and the current leave arrangements for staff.
ACTION: Locum Manager to canvas staff if they would like to work any of the above dates this year and where possible arrange for them to work over this period, depending on lone working risk assessment.

Cllr Whittaker left the meeting at 9.45am

1819/HR/039 *To note action on replacement of the Clerk and Responsible Financial Officer (RFO)*

The advert for the recruitment of the Clerk and RFO has been widely promoted. It appeared in the Herts Advertiser on 6th December and has appeared on the websites of the Parish, Herts Association of Parish and Town Councils, the Society of Local Council Clerks and is being advertised on the Parish noticeboards and within some other Councils in the area. Further adverts will appear in early January. The deadline for applications is the 22nd January 2019 and interviews likely to be during the week commencing 18th February. It was agreed that the short listing would be undertaken by the Locum Manager and the Selection Panel which be comprised of three Members of the HR Committee. The Selection Panel to include the Chairman and Vice-Chairman and the Locum Manager agreed to canvas the HR Committee members to seek interest in serving as the remaining member of the Panel.

ACTION: Assistant Clerk to ascertain if required and if so arrange an extraordinary meeting of the HR Committee or the Full Council in order to confirm the decision to offer the position of Clerk and RFO to a particular candidate.

1819/HR/040 To receive an update on the Health and Safety Action Plan

The Assistant Clerk updated the Committee on progress on the Health and Safety Action Plan. Graham Myatt, H&S consultant, had spent a day with the Assistant Clerk, Senior Groundsman, Groundsman and Maintenance Man to review the Risk Assessments. This highlighted the need for updating the current risk assessments, having more generic activity and site risk assessments. This review also highlighted the need to create checklists for regular activities and a template for a dynamic risk assessment for a one off task. The Assistant Clerk is meeting on a weekly basis with Grounds and Maintenance Staff to progress these and the remaining actions from the recent H&S Audit.

Abrasive wheel and working at height training for grounds and maintenance staff has been arranged. The Groundsman will be undertaking chainsaw training and a trailer driving test early in the New Year. Quotes for the tree safety survey have started coming in and the cost is likely to be in the region of £9,000.

Meeting closed 10.08 am

Chairman
